

A name you can trust for all your Telecommunications Solutions

Operational Support Services

On a variety of hardware platforms

DigiTalk – NACT – Phoenix Soft – Cisco – Cantata

Information on KIT Communications; Operational Support Services:

While everyone that offers support on your equipment basically offers the same services, here are a few things that set us apart from the rest.

- ✦ No long term contracts
 - ✦ Ability to support several switching platforms
 - ✦ Quarterly on site consultation visits to help with all your telecommunications services
 - ✦ No limit to number of support hours in a month
 - ✦ Includes support help in evenings and weekends at no additional hourly charge
 - ✦ No ticket system to worry about, just e-mail, IM or call technical help directly
 - ✦ Get immediate response to your technical questions and always with an un-biased answer
 - ✦ Our knowledge is not limited to one equipment manufacturer, we will support all your telecommunications equipment for the same low price
-

Let's talk about how you can take advantage of our decades of Telecom experience

813.385.6303 / 561.330.0885
